MAKING THE DISTRICT A BETTER PLACE TO LIVE AND WORK

DC Appleseed is honored to receive the dedicated expertise of numerous pro bono professionals across the District contributed to us pro bono. Their time and talent are at the core of our impact.

This year, DC Appleseed is proud to publish our **1st Annual Good Apple Report**, which includes our roster of pro bono contributors and provides special recognition for each firm whose lawyers have collectively contributed more than 100 hours of pro bono work.

With their support, we can keep building towards a better DC: a **more equitable and democratic city** in which all residents get a fair shot at **health, stability, opportunity, and empowerment**.
